Vision:

P - Preaching: We are a Church that is a Biblical preaching and teaching Church. Our Church is built on the preaching of the word, and we are a Church that responds to preaching when it is biblical and following the text we are a Church that loves preaching, loves to hear preaching, loves the preacher and loves the Lord for allowing us to hear the word of God!

P - Prayer: We are a praying Church. We believe in the power of prayer, and as a praying Church we are committed to praying for ourselves, for each other, for our Church, for our City, for our State, for our Nation, and for our World. Prayer changes things and people, and we are a Church and committed body of believers that believe in the power of prayer and that God will bless us and answer us through our prayers.

P - Praise: We are a praising Church! We are a Church that is committed to praising the Lord, and we worship the Lord in spirit and in truth. We are a Church that is on fire for God, and every time we gather in the house of God we are praising the Lord. We are a Church that makes a joyful noise, and we aren't a Church that is silent but we are an expressive Church. We express to God how grateful and thankful we are to Him, and every time we gather and when we are in our own personal lives we are a Church that loves to praise God nonstop.

S - Serving: We are a serving Church! We are called to be servants, and because we are servants then it is important to be a Church that is serving. We are a Church that is serving, and when we serve we look out for our Church, we are helping each other, we are looking out for each other, we help aid each other, and we are about making sure that we are keeping our Church clean and kept up. We are serving each other, and we are serving with each other as we do the work of Jesus Christ.

L - Love: We are a loving Church! We are a Church that is the love Church, and we are a Church where everybody is family. As we continue to grow in Christ, that's also when we share the love of Christ and when we share the love of Christ we greet each other with kind words, a hug, and a kind greeting. As a Church that is full of love, the love of Christ will flow in our Church and when it flows in our Church it can and will be felt all around and everybody is welcomed to our Church. No matter their age or ethnicity, we still share the love of Christ and welcome everyone to our Church.

C - Community: We are a Community Church! Not only are we about being a blessing to our members, and it is important to be an active Church in our community. The Church is a pillar of the community, and it is our charge to serve in our community and to be active whether feeding the hungry, helping our youth, helping those who need clothes, and helping those who stand in need. The community needs the Church, and the Church needs the community. Our Church should always be active in our community, and because of being active in the community we can certainly share the love of Jesus Christ and have other community events to engage and bring people to the saving power of Jesus Christ. We are there to stand up for any injustice, oppression, and anything else that acquires us to be a voice to the voiceless,

H - Hospitality: We are a Hospitable Church! We are a Church that extends Hospital to Pastor's and other Guest Churches, families who have needs during funerals and other family matters. We show hospitality to each other, to those who might have physical ailments, to those who need a friend, to those who are going through a bad time, and we show hospitality and look out for all our members. We take care of each other, and we do our best to make sure that everyone is safe because we are a family and a Church that is focused, committed, and dedicated to giving our best effort!

I love you Broadway, and I'm grateful for the opportunity to serve you all and let us continue to love each other, pray for each other, serve each other, and do our best in our ministry to please God! It is all about Jesus Christ, and that's our mission and drive to please the Lord and when we do that the Lord will bless us and allow us to overflow in all areas of our lives and our Church! We've been blessed in many ways, and when we stay with the book we will continue to be blessed following the Lord and trusting in Him!

God Bless You!
