

What Is Love?

- Love is an action word, and love is something that you share and make others feel because love is real, love is special, love is kind, and love is everlasting. Jesus is the greatest example of love, Jesus died on the cross to show love, Jesus engaged with sinners to show love, Jesus looked out for the lost, the confused, and those who were without hope!
- The example of love that Jesus showed, is the example that as believers it is important to follow because everyone should feel love and be loved. We live in a society that sometimes does not always demonstrate love, we live in a society that does not always live up to the ethics of love, and we live in a society that is filled with so much that does not display love.
- Broadway as we go forward, let us be a Church that is filled with love to where it is shared from each other, where the community can feel it, visitors can feel it, and when the love of Christ is spread it will become contagious that everybody will be filled with it because of our examples!
- God is calling us to be examples, and it is our job, duty, and ministry to be the examples of love. Whenever you encounter anybody ask yourself (How Can I Show Love To This Person?) How can I bring sunshine to this person, and how can I bring sunshine to my Church, to my family, to my job, to my community, and to my home!
- Love is - Life, Outstanding, Victorious, & Everlasting! Let Love always rule and reign, and there are no limits to where God will take us through His love and our love!
- 1 Corinthians 13:13 CSB Now these three remain: faith, hope, and love-but the greatest of these is love.
