

## **Broadway MBC - Tree Of Life Inspirational Word**

**Exodus 14:4 ESV**

**And I will harden Pharaoh's heart, and he will pursue them, and I will get glory over Pharaoh and all his host, and the Egyptians shall know that I am the LORD.” And they did so.**

This text is a major word, and I love how the Lord was with Moses even though we see that Pharaoh was the Ruler of Egypt at this time even though Moses was giving the warning from God to let His people go but Pharaoh wasn't trying to do that, but the Lord intervened and the Lord made Pharaoh and his army become water residents, when they were drowned in the Red Sea.

It is something to understand and know, that as we walk with the Lord and as we follow the Lord it seems like all of us have to deal with a Pharaoh. Something that is trying to block us, something that is trying to stop us, and something that is trying to affect us, but even though we are dealing with a Pharaoh that does not mean that it has more power than the Lord, and you know things that will get in your way can and will fall down!

As you walk with the Lord, don't worry about what is thrown into your direction when it is trying to block you, when it is trying to stop you, and when it is trying to discourage you the Lord will always give you power to rise above it, and you will also see His power manifest in your life. The key is to keep on trusting in Him, to keep on following Him, and to keep doing what He says because we have the promise that Pharaoh will not last!

Do what the Lord says, and don't worry about the Pharaoh in your life because it will leave you, it will depart from you, and it will not keep you down because the Lord has not left you and won't leave you! Keep the faith, and watch God let you cross the Red Sea, and you'll see that problem, struggle, or issue drowned in the Red Sea. God is with you!
