Colossians 1:21-22 ESV

And you, who once were alienated and hostile in mind, doing evil deeds, [22] he has now reconciled in his body of flesh by his death, in order to present you holy and blameless and above reproach before him,

The Late Great Theologian Dietrich Bonhoeffer once said this: “The only man who has the right to say that he is justified by grace alone is the man who has left all to follow Christ.”

We should never forget that the Lord has saved us. We ought to thank God for the benefits of God, because the benefits of God never run out and the best benefit that God has ever shown us is that He has reconciled and forgiven us. We were once lost, but the Lord is the one that has picked us up, and because of the Lord we are saved and we indeed have access to the Father!

We have access to Jesus Christ, and because we have access in Jesus Christ we should never forget about the Lord, and we should always be thankful that the Lord has built us up, the Lord has pulled us through, and the Lord has delivered us. The Lord is the reason why we have been delivered, and the Lord is the reason why He will keep us going and keep us from not losing our lives!

Life is secure with Jesus, and let us always thank the Lord that we have a Savior that saves, and a Savior that does redeem us and because the Savior redeems us we should always know that He is able, and because He is able we can overcome anything that we face because we know that the Lord is the one that will always make sure that we are taken care of!

We are alive because of Jesus, and let us never forget that!
