**[Job 23:16 ESV](#)**

**[God has made my heart faint; the Almighty has terrified me;](#)**

**[The Late Great Inventor Thomas Edison once said this: "Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time."](#)**

**We do have a tendency at times to not handle tough times properly! We all face tough times, and we all deal with tough times but there are times that even though we are facing these tough times that doesn't mean that life is over, but that does mean we should have enough faith to continue to press forward!**

**We should press forward knowing that the Lord is with us, and when we press forward knowing that the Lord is with us it keeps us going and it keeps us from losing our hope. We all deal with times of wounds, times of hurts, and even times of feeling like the Lord isn't with us but the Lord is! The Lord is with us every day, and because the Lord is with us every day that is when we know that God will never leave us, and because the Lord is with us we are able to stand!**

**You can stand through challenges, you can stand through adversity, and you can stand through failures! We all deal with those times, and because of that we have to decide are we going to stand for the Lord or are we not going to stand for the Lord? Are we going to continue to trust God, or are we going to lose our footing and not believe that we know that the Lord will always work things out for us?**

**The Lord loves us, the Lord cares for us, and the Lord is with us and because the Lord cares and is with us we are able to make it and not lose our footing with God because we are following God every day, and He knows what we need and He always loves us. His love keeps us going, and will keep us from losing our hope in Him**
