

## **Broadway MBC - Tree Of Life Inspirational Word**

**[Psalm 119:127 ESV](#)**

**[Therefore I love your commandments above gold, above fine gold.](#)**

**[Pastor John Piper once said this: "Loving God with all our mind means that our thinking is wholly engaged to do all it can to awaken and express the heartfelt fullness of treasuring God above all things."](#)**

**It is important for us to make the word of the Lord our focus, I know that we focus on a lot of things in our lives because we look at our homes, we look at our finances, we look at our cars, we look at our phones, and other things because that is where our focus is. We have different focuses, but there is something that is true and there is something that is real that we need to always make sure that we do is focus on the Lord.**

**Our focus should be on the word of God, because the word of the Lord will give us joy, the word of the Lord will give us hope, and the word of the Lord will never tear us down but it will build us up. The Lord will build us up, and the word of the Lord is so powerful, it is so precious, it is perfect, and it is persuasive because the word of the Lord will never fail us.**

**The word of the Lord won't fail us, and as we walk with the Lord we realize that the word of God and God Himself is so great and the Lord is so faithful that the Lord will always pick us up and the Lord will never fail us. The Lord will always give us hope, the Lord will always give us joy, and the Lord will always give us peace so we should always fall in love with the word of the Lord!**

**As long as we love the Lord, we will also love His word! We need to always love the Lord and His word because the love of the Lord will never fail us but will always uplift us!**
