**Mark 11:24 ESV**

**Therefore I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours.**

The Late Great Theologian E. M. Bounds spoke it this way: **“What the church needs today is not more machinery or better, not new organizations or more and novel methods, but men who the Holy Spirit can use—men of prayer, men mighty in prayer. The Holy Spirit does not come on machinery but on men. He does not anoint plans, but men—men of prayer.”**

This is true for us as believers, that it is important for us to pray and that we should be dedicated believers in the power of prayer and seeking the face of the Lord. How often are you praying, and are you praying enough or are you just praying when you decide. Prayer should always be a focus of determination to grow with the Lord, and your spirit and walk with the Lord.

Don't neglect the power of prayer, and there is something that we have to have in our possession as followers and believers of the Lord, that we should have that desire of prayer, we should thirst in prayer, we should be hungry for prayer, and we should always have the spirit of praying for our Church, Pastor, and each other because we can't be a strong Church and have no prayer.

That should be our focus and our desire, and when we walk with the Lord we need to always make sure that we are praying for the power of the Lord to always circulate and have a mode of prayer that makes us not neglect the Lord. The Church will never be healthy without prayer, and as long as the Lord keeps us alive we can and we will keep the Church alive by the power of prayer and seeking the Lord every day of our lives.

Prayer is the weapon that will give you victory in any spiritual battle!
