[Psalm 22:8 ESV](#)

"He trusts in the LORD; let him deliver him; let him rescue him, for he delights in him!"

Pastor Max Lucado said this: "No matter what the storm clouds bring, you can face your pain with courage and hope. For two thousand years ago-six hours, one Friday-Christ firmly planted in bedrock three solid anchor points that we can all cling to. For the heart scarred with futility, that Friday holds purpose. For the life blackened with failure, that Friday holds forgiveness. And for the soul looking into the tunnel of death, that Friday holds deliverance."

The Lord is good, the Lord is real, and the Lord will deliver! As we look at our lives, and as we focus on this Christmas season we should never lose sight of who we should be looking to! We should always keep our focus on the Lord, and remember that the Lord is with us every day and that we are not alone!

We are not alone and we should never feel alone, because as we live for the Lord there should be a reminder that the Lord will make a way for us! The Lord will make a way for you, and because the Lord will make a way we should stay in the race, we should stay encouraged, and we should stay with the right mindset that we know that the Lord is always on our side!

God is always on our side, and don't forget that even with stuff that you can't control there is something you can control and that is your faith in the Lord! Your faith in the Lord should be strong, firm, and stable so that even though you are faced with different challenges or your own feelings God will make a way for you!

As we celebrate Christmas, we should never neglect our faith in God and knowing that the Lord is real, powerful, strong, mighty, and that the Lord will provide for you all of the time!
